### PREFACE.

N preparing for publication this third edition of the Society Blue Book, we have departed somewhat from the popular idea of what constitutes a Blue Book, and included many individuals who may not be strictly in Society. The entries in the Royal Blue Book in England include only those individuals who have been presented at Court, but with no such list to draw from in Canada we have included in this edition individuals who are prominent in the trades and professions as well as the leaders of Society, believing that such a list will be of greatest service to the greatest number.

It is our intention to improve each successive edition of this volume, making it a help to every hostess, and a necessity in every home.

We invite suggestions for the improvement of future editions and thank our numerous patrons who have so kindly furnished us with the information contained in these pages.

# "Canada's Greatest Dyers and Cleaners" \* \*

# CLEANING DAINTY LACES AND DELICATE COSTUMES

It needs skill and care and the right kind of experience to clean costly and delicate laces and ladies' garments of finer fabrics. Satisfactory work can only come when the appointments of a dyeing and cleaning plant are the most modern and the workpeople thoroughly skilful. For twenty years we have been pleasing the most particular people.

"For several years I have sent various materials to your establishment to be cleaned or dyed. The work done by you for me has always been done most satisfactorily."

LADY KIRKPATRICK.

Our French Dry Cleaning Process is invaluable in the cleaning of ball and evening dresses in every material, opera mantles, silk and wool wraps. Kid gloves are cleaned by us and returned scented ready for immediate use.

We do just as good work for gentlemen. Everything in gentlemen's wearing apparel, summer and outing costumes thoroughly cleaned and returned to owners in tailor-like fashion.

## A Matter of Confidence

YOU ask why it is we have the largest printing and bookbinding establishment in the Dominion and do so much job printing. Simply because the people have confidence in us. They know we turn out only first-class work and charge only fair prices for the same. Our type is new, well selected; our paper stock always the best, and our presses give clear, sharp impressions. Those in need of printing or binding who pass our door without pulling the latch string make a great mistake.

We give special attention to printing and binding required by

> COLLEGES, CLUBS... SOCIAL ORGANIZATIONS CHURCHES, SUNDAY SCHOOLS, ETC., ETC.

From our script type you can get Wedding or Party Invitations equal to those produced by steel or copper plate, and, of course, for much less money.
